Work Experience

- Riafy Technologies / UI UX Designer**
2 YEARS - 2020 PRESENT, KOCHI, KERALA

- Maintains the internal style guide & implements new design patterns on the web, mobile, and CRMs.
 - I create designs systems for the projects using Figma and prototypes for motion understanding,
 - Design reviews with stakeholders and HTML, CSS interface improvement for the front end team.
 - I collaborate closely with product managers, developers, researchers & the marketing team.
- Cloud 6 (freelance) / UI UX Designer**
1 YEAR - UAE BASED COMPANY

- I collaborated with developer teams & managed a wide variety of cross-media projects
 - Specialized in UI design, UI Prototyping & basic html,css websites for startups & academic institutions
 - such as pmsacollege.com, iwizweddingphotography.com, Arakkal Gold and diamonds Application, Hip Pip social media Application, Smrithy Education app, and Turning point education application.
- Codegreen Technologies / UI UX Designer**
3 MONTHS - APPRENTICESHIP, KOCHI, KERALA

- Starting my career over here, Learned the basics of design from a poster to the web, apps, and consoles.
 - Spent the most time on the research rather than the design process.
 - Got an idea regarding the Typography, color theory, etc.
 - Worked on small-scale apps to large-scale apps, including Chicking UAE, Spiceland Holidays, etc.
- Byju's / Business Development Associate**
10 MONTHS - NOV 2019 - AUG 2020, KOCHI, KERALA

- Other than the User Interface, I've tried out sales too. It enlightened me about revenues, growth in terms of business expansion, increasing profitability by building strategic partnerships
 - Likewise it helped me to accept valuable feedback from a team lead to a client.

Education

- Bachelor's in Computer Engineering**
2015-2019 - DSEC TRICHY, TAMIL NADU

Cracked the exams with 70% overall CGPA. Initiated & contributed to several experimental projects involving web usability, tangible Interaction, and natural user interfaces by building an e-commerce website.
- 12th / Kerala State Board**
2015 - K.P.M.H.S.S, POOTHOTTA, KERALA

Passed with an overall 80% marks. Computer science as the major subject, Learned the basic codings, Include HTML, CSS, C++ , etc.
